GOODBYE from Brett Ingram

My time at Flaxmill as the Aboriginal Community & Education Officer has come to an end as I am moving onto other career opportunities, sadly all good things must come to an end. It has been great working with and supporting Aboriginal & Torres Strait Islander students and families. I have enjoyed every minute and found it very rewarding working here, I wish all the best to the students in their educational journey and in life.

Goodbye and thanks!

**FLAXMILL SCHOOL P-7 WISH YOU ALL THE BEST IN
YOUR FUTURE ENDEAVOURS AND THANK YOU FOR
YOUR SUPPORT**

Head Lice

We have had a few cases of head lice already this term, please check your child's hair regularly and treat if required. The treatment needs to be left on the hair for the time stated on the product, combed through with a headlice (small toothed comb) until all eggs have been removed—we understand that this is a very time consuming exercise but it is necessary to remove all of the eggs to stop the cycle. Various shampoos are available to purchase from your local supermarket or chemist.

Thankyou

Have a Look!.....
