# SAPSASA NETBALL TEAM

Our SAPSASA Netball Team played 3 games against other schools; Braeview PS, Hallett Cove East PS and Henley Beach PS. The girls all put in their best and showed excellent teamwork. Considering most have not previously played together in a team, they did remarkably well.

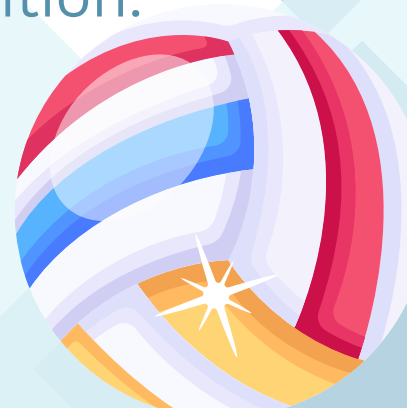

Mia Z., Jayda S., Amira W., Josie M. and Rose G. are all netball players.

They played very strongly and were fantastic coaches to the remaining team members.

Isy D., April K. and Skyla C are all basketball players who turned their hands to netball.

They easily transferred their skills to the game of netball and supported the team strongly.

Kelsi M-D is a new player who has had very little training thus far however she placed herself well and provided good support in her position.

# SAPSASA NETBALL TEAM

I'm very impressed with the way the team pulled together and by the end of the three games, how much confidence and game sense they developed. Although the team did not win a game, they did win or were very close in most of the quarters.

Skyla was particularly strong in defence, April & Jayda were stars in goals, Mia & Isy ran the ball superbly through the centre and backed up all players many times.

All players showed versatility which was very handy throughout the 3 games.

Many thanks to Tanya, Josie's mum, who was our scorer and team support for the whole day.

Overall, it was a rewarding and enjoyable day.  
Well done Flaxmill team!

# SAPSASA GOLF

On the 17th of June 2024, one of our talented students **Charlie Wade** participated in SAPSASA Golf. Corey (his dad) said *"Charlie started off very nervous but didn't take long to find his groove and not only did he qualify for the State Finals, he finished with the best score of the qualifiers that competed on the day".*

State Finals are at West Beach in September where they play 15 holes each day. If Charlie does well there, he will go into Nationals which are held in NSW in November.

**GOOOOOO CHARLIE!!!**

# **GOVERNING COUNCIL**

**Come and join our Governing Council**

The role of the governing council is to:

- focus on improving student learning outcomes in collaboration with the principal or preschool director and staff
- develop a cooperative working relationship between the governing council and the principal or preschool director and staff
- represent the whole school community in understanding local educational needs
- set general directions for the preschool or school
- monitor and report on achievements.
- participate in school fundraising events.
- Attend 2 meetings per term.

Nomination forms are available in the Front Office and **CLOSE**  
**Friday 26th July 2024.**

Governing Council members are required to apply for a Working with Children Check (through the school) and undergo Respond to Risk of Harm, Abuse and Neglect training.
