FOOD PREPERATION

We understand that providing nutritious and well-balanced meals for your child is of utmost importance, and we appreciate your efforts to pack healthy meals.

However, it is important to note that our school is **not responsible for cutting or preparing food items that are brought from home.**

Due to various factors such as time constraints, food allergies, and sanitation considerations, we are unable to offer food preparation services at school.

SCHOOL UNIFORM

We would like to remind our Flaxmill School families that is important for your child to adhere to the school's uniforms and footwear guidelines.

A few keys reasons why school uniform and appropriate

footwear is important:

- Sense of Belonging*
- Equal Opportunity*
- Discipline and Focus*
- Reduced Distractions*
- Safety and Comfort*
- Professionalism*
- School Identity*

SCHOOL UNIFORM

We wanted to remind families that Crocs are not part of our school uniform, nor are they suitable footwear for physical education or general school activities.

Recently, we have seen an increase in students requiring first aid due to tripping incidents while wearing Crocs in the school yard.

While we understand that they are a popular choice, they do not provide the necessary support and protection for an active school day.

For safety reasons, we kindly ask that students wear appropriate, closed-toe shoes that are secure and supportive.

***“Did you have a
nice Trip!”***

***Wouldn't have happened if you
wore sneakers!***

PERSONAL BELONGINGS

We know that children may want to bring their favourite toys, gadgets, and personal items to school however, we are strongly encouraging that all valuable items remain at home, this is to reduce the risk of loss or damage, minimize distractions and safety concerns.

The school is not responsible for any loss or damaged property.
